CTLPA President's Message

What a beautiful thing, when career and passion come together!

This is the perfect description of my professional life and as a product of The Caribbean Tertiary Level Personnel Association (CTLPA) and the guidance of exemplary Student Affairs professionals, I am honoured to welcome you to our 2023 conference as President of The CTLPA! It is with pride and great joy, that I share our 2023 conference schedule and activities with you, as my team and I have worked assiduously to make this return to regular programming, as memorable and value-packed as possible.

Frankly, the global changes brought on by the pandemic, have forced us to grow. These lessons learnt have challenged our policies, practices and mindset, pointing us in the direction we need to be heading in this new age of Student Services/Affairs.

Having served as a student leader, student affairs professional (in different areas), and Executive Committee Member of The CTLPA in at least four (4) capacities, my passion and love for student services and student success has been amplified. Conferences and events like these, are essential in reminding our colleagues and potential student affairs professionals, of the importance of expanding our reach, increasing our knowledge and participating in research and development. We acknowledge and laud the efforts and academic work of our fellow colleagues in North America and other parts of the world, and challenge our Caribbean professionals to continue adding our unique body of knowledge to the discourse.

Maybe you've travelled from The Commonwealth of The Bahamas in the North or The Republic of Trinidad & Tobago in the south. Perhaps you've come from either of our cities, Kingston or Montego Bay. Maybe you travelled from The USA to be with us. Welcome to Trelawny, Jamaica! We look forward to the excellent presentations, from Keynotes to plenary sessions and panel discussions.

To all first-time attendees, this is the perfect opportunity for you to get connected to a chapter and join the family. Let the networking begin!

Ronique Rhoden
CTLPA President 2022-2023

ACPA President & Executive Director's Message

Greetings CTLPA Members and 2023 Conference Attendees!

On behalf of ACPA-College Student Educators, welcome to the 2023 Conference of the Caribbean Tertiary Level Personnel Association, an international division of ACPA. It is incredibly exciting that you are returning to your first in-person CTLPA conference since the beginning of the COVID-19 pandemic, and we thank you for the investment, time, and talent you have committed to be part of this historic reconvening. While neither of us are able to be there with you in Jamaica this year, we invite you to engage with the ACPA Governing Board leaders who will be in attendance. They are Andrea D. Domingue (immediate Past President), Jacqueline Huggins (Assembly Coordinator for International Divisions & Members), and Jeremy Brown (Assembly Coordinator for State & Regional Chapters). We are proud to support Dr. Domingue's participation in the 2023 CTLPA Conference as your opening keynote and hope you will take full advantage of this opportunity to further bridge our organizations.

For any CTLPA members who are not yet ACPA members, we invite you to learn more about ACPA and consider joining us by visiting myacpa.org/join. Members from outside of the United States can access institutional membership and annual convention registration at reduced rates, so we hope you will join us soon to expand your professional network and resources. And we hope to see you at the next ACPA Convention in Chicago, Illinois in March of 2024.

Please know you have our best wishes for a wonderful and successful conference experience in Jamaica this week. As the conference theme suggests, there is no better time in our world and in our work to "unmask innovation," and to "redefine and retool student support." Our students and our campuses need us at this critical time, and we are certain that the presentations, speakers, and community available to you through CTLPA this week and beyond will provide the inspiration and resources to propel you forward in this important work.

Enjoy Jamaica and have a wonderful conference!

Heather Shae, PhD
2023-2024 ACPA President

Chris Moody, EdD
2023-2024 ACPA Executive Director

ABOUT THE CTLPA

The Caribbean Tertiary Level Personnel Association (CTLPA) is a professional organization that facilitates learning, development and professional advancement for student services personnel. This is done with an aim to enhance continuous effectiveness in facilitating student learning and development in tertiary level institutions. The CTLPA analyzes trends in higher education inclusive of the student profiles and uses this data to inform policy, practices and implement programmes that prepare students to function effectively in a global economy.

Having served its members and the region for over 25 years, The CTLPA is moving into the new era of Student Services, with new goals and a vision that is in line with new trends and developments. The work of its stalwarts and founding members have paved the way for success and continuity. We therefore welcome the expertise and passion of new leaders and members, ready to take up the mantle and carry on the work of The CTLPA.

We encourage our membership to engage in and publish relevant work that will see us improving our work in theory and practice.

GET INVOLVED IN CTLPA

It is a distinct honour and pleasure to have been involved with CTLPA for the past 17 years serving as an Executive member both at the local and regional levels. As a health care professional I am pleased to have played an integral part and contributed to the welfare and development of students and staff as advisor and manager on Health issues and Health Care facilities at UWI, St Augustine Trinidad & Tobago.

Having served as Treasurer of the Local Chapter for 4 years and 6 years regionally, I am proud of my sterling contribution to the organisation and the indelible mark which I hope will be left and emulated being awarded the accolade, ACPA Diamond Honoree (2016).

Presently I am a Member at Large - Regional and Assistant Treasurer (Local) and continue to serve CTLPA with integrity and professionalism.

Extending special greetings to all for a rewarding and successful Conference 2023 and encourage you to join your local chapter and get involved today!

Pamela Townsend

Member-at-Large (CTLPA Regional Executive)

GET INVOLVED IN CTLPA

The CTLPA creates a space for me to connect with regional and global student affairs professionals. CTLPA also creates an opportunity to learn about the great work being done in the Caribbean.

The value of these regional contributions are also globally recognized and respected. One example of this was during the 2023 ACPA Conference in New Orleans-USA. I felt privileged to be a part of the CTLPA team who were present when Dr Jacqueline Huggins, our regional immediate past president received a Diamond Award and Shavon Hutchinson graduated from a leadership institute.

As we transition to post pandemic times, I look forward to being a part of our regional student services story and championing the resilience of students and fellow student services professionals in higher education spaces.

Dr. Don-Marie Holder

CTLPA Barbados Chapter President

Career Counselling Specialist, The UWI Cave Hill Campus

WELCOME

Message

The CTLPA 2023 Annual Regional Conference is here....

Thank you for registering for the 2023 Conference - "Unmasking Innovation: Re-defining and Retooling Student Support". The Caribbean Tertiary Level Personnel Association is delighted to welcome you to Conference 2023! This Conference will be a hybrid event with participants joining from different countries around the world both face to face and online. We are excited to see you at the conference on June 11-14, 2023 face to face at the Ocean Coral Spring in Trelawny, Jamaica!

This four (4) day event promises to engage student services and higher education professionals in stimulating discussions that reinforce the need for the scholarly treatment of student services within Higher Education institutions. We will also use the Zoom Platform that will allow for virtual participants to network and to be fully immersed with the conference's content.

If you do not already have this, we recommend you download the most recent version of Zoom to your desktop. The app version of Zoom will allow you to optimize your experience. You can access the Zoom download Center here: <https://zoom.us/support/download?os=android>.

During these sessions, you will identify opportunities and gaps by listening to one another. There is an urgent need for Student Affairs & Services professionals to actively engage in creative problem solving and critical thinking - your voice and perspectives matter.

For the Conference, you should access the CTLPA website as a resources page that will be updated throughout the event and post-event with all documents and more information: <https://www.myctlpa.org/conference>. Once available, please download your schedule and conference publication rather than print it. To ensure you mark your calendar for the correct time zone, you can click on the time zone converter as all time announcements at the 2023 CTLPA Conference will be Jamaica Time)

If you have questions, please do not hesitate to email: ctlpahq@gmail.com
We sincerely hope that all of you will benefit from this experience.
